### ***PRESIDENT'S CORNER . . . .***

Summer is drawing to a close. The kids are headed back to school, the cabins are being closed and the real work of our club is ready to begin. We will be looking forward soon to our fundraising banquet, the 2<sup>nd</sup> annual SOHR Award and continuing our education initiative. Additionally, we will participate at Inver Grove Heights Days, Kaposia Days and hopefully more club functions throughout the year. Thank you in advance for your participation. The club has also decided to end our relationship with the Clarion Hotel. In the weeks ahead we will explore other options, holding our meetings at a variety of venues. The true definition of Rotary! Thank you for your patience during this transition. You will be notified of each week's location via email – so check it Gary! Have a safe and happy Labor Day weekend. Joe

### ***Education Initiative . . . . Report from Tom Leonard***

I attended yesterday's ribbon cutting ceremony celebrating the success of the SSP adopt-a-school program. It was probably the most enthusiastic and exciting school program I have ever witnessed. With Governor Dayton in attendance, Superintendent Webb went through all the donors and the impact the donations will make. He is a very inspiring speaker and was able to make each and every donor feel special. He introduced Lee Nelson of Upper River Services last, to a standing ovation. Lee was responsible for 20 plus Smart Board donations himself. I believe we have picked a great project to be part of and can really feel good about our part. Our efforts were very much appreciated and we were recognized as Rotarians making an impact on students, contributing to a project that research has shown increases student scores by 20%. I wish you all could have been there.
