President's Corner

Ronald Reagan once said, "The thought of being President frightens me and I do not think I want the job." Obviously the prospect of leading the greatest nation in the world dwarfs the responsibility of leading our club, but I certainly understand the sentiment. After all, nobody wants to leave an organization in a poorer state than how they found it. I am sure that several leaders, down through the ages, have assumed their roles with some level of trepidation and anxiety of failure. Many of us, as business owners and administrators, know that success or failure is often more determined by the work of the group and not by any one individual. Our club is no different. I am truly grateful for the hard work and creativity that many of you contributed this past year and am honored to call such a generous, committed and gracious group of men and women my "friends". Our club has built some momentum and has a promising future. I am extremely excited to see where it will lead and I look forward to helping both Brian and Pam achieve their goals over the next 2 years. There is no limit to what we can accomplish together. *There are no constraints on the human mind, no walls around the human spirit, no barriers to our progress except those we ourselves erect - Ronald Reagan.* Joe

Graduation Party!

You are all invited to attend Johanne's Graduation Party at Paul & Jodi Hassing's home on June 10th from 5:00 - 8:00 P.M. Our year with Johanne is quickly coming to an end - let's give her a good send off!

Community Night at the Twins

We have 20 people signed up for the Community Night at the Twins on June 25th - 7:00 P.M. game against Chicago White Sox. Thanks for representing our club!

Club Assembly

At the Club Assembly on May 30th, the nominations for the 2012-2013 fiscal year included Dave Kendall as Secretary and Dan Warner and John Glieden as At Large Board members. Brian Taurinskas will ascend to President and Pam Schultz to President-Elect. The club will vote on Board members on June 27th. The club also chose to fund a \$2500 grant to Compatible Technology Inc., a nonprofit corporation that provides water chlorinators in rural Nicaragua to purify the water.

Host Families needed

Greg Bauer is asking for all club members to be on the "lookout" for potential host families for a 3-4 month period during the next year. Antonio is from Brazil and interested in soccer and music. He will arrive in mid-August and attend Simley High School. Contact Greg Bauer if you have questions or know someone that would like more information.

Education Initiative Update:

Our grant request to District 5960 has been submitted and will be reviewed by the District Grant Committee on June 15th. We have requested assistance in providing 10 iPads to *Inver Grove Heights Community Schools* for use in "flipped classrooms". The students use the iPads to watch recorded lessons available 24/7 during their free time. Class time would then be used for students to practice what they have learned by watching the lesson, work collaboratively, or work individually and with the teacher. The iPads are also used to access pertinent open source material put online by colleges and universities.
