President's Corner:

"I believe that when we support our communities, our communities will support us."

We bid farewell to our exchange student, Johanne, in June. Thank you to those members (and host families) who assisted with the program or helped make her journey and stay more enjoyable. I would especially like to thank Greg Bauer and Gary Bergh, for it was their commitment to this program and behind the scenes efforts that made it so successful. We look forward to Antonio's debut and school year with our club. We are tremendously grateful that Rick and Lynn Lamers have offered to host Antonio for several months this fall. We are truly thankful for their willingness to open their lives and home to Antonio for this amazing exchange program.

We also said goodbye in July to a 21-year member and supporter of our club, Tom Leonard of Fury Motors. We thank Tom for his long tenure with our club and grateful for his support of Rotary's mission over all those years. We wish him success in all of his future endeavors.

The Anniversary Committee has set September 20, 2012 for our club's 50th Anniversary Celebration. Details regarding this event to follow! If you wish to get involved in any way, please contact one of the committee members (Jim Taurinkas, Joe Gullerud, John Kemp, George Kassan). This should be an exciting event for all members!

On August 22nd, our club will hold a Club Assembly and every member is requested to attend. The primary topic will be membership development (retention, classification recruitment, and new member orientation) with any remaining time spent on topics raised from the results of the club survey that I collected a couple months ago.

Welcome Antonio!

We will welcome Antonio from Brazil to our club in the next 2 weeks. He will be attending Simley High School and is interested in soccer and music. Rick & Lynn Lamers have graciously consented to host Antonio for the first couple of months. However, host families are still needed for the winter and spring periods. Talk with your friends and neighbors about this rewarding opportunity – they will thank you in the end. Contact Greg Bauer if you know of someone interested or that would like more information.
