Mission Statement

"In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights." Though our mission is clear that improving education opportunities is paramount, I feel it is imperative that we ensure our actions, goals, and relations with those in our community reflect this mission.

President's Corner:

JANUARY 2013 – "Rotary Awareness Month"

Happy New Year! Our club meeting ended 2012 filled with festive songs and holiday cheer thanks to the incredibly talented South St. Paul High School Varsity Singers. It was a great way to lead into the holidays and help inspire us as we begin the New Year.

January is Rotary Awareness Month. Club members are encouraged to celebrate, promote, and share their personal stories or experiences with customers, friends, family, colleagues, and others in our communities. It is just as important to share these personal stories and experiences with fellow club members. Sharing your personal stories and experiences of Rotary with other club members will not only help members to "build goodwill and better friendships" with each other, but can help them to be inspired.

We will also be focusing much of our efforts on planning for the SOHR Award Banquet. Pam Schultz will be asking for member participation with our largest fundraising event of the year. Please volunteer your time and ideas to make this a successful and enjoyable event for all!

Happy Holidays and may 2013 be your proudest Rotary year yet!

Brian
