PRESIDENT'S CORNER

February 2013 – "World Understanding Month"

February is "World Understanding Month" for Rotary. It is a time for all Rotarians to promote goodwill around the world and learn about other cultures and countries. A terrific (and perhaps the easiest) way for our club members to participate is to engage in a discussion with Antonio, our Youth Exchange Student from Brazil. Although Antonio has been with us for several months, there may be a few members who haven't had the opportunity to speak one-on-one with him. Take the time to do so and I'm confident you'll learn something new about him or his country. Perhaps, you'll even discover something new about yourself.

This should also be a reminder to all members to educate those we encounter, at every available chance, about what Rotary does in the world and our local communities. Don't wait for them to ask! Work Rotary into your conversations with others and tell them why you're proud to be a Rotarian!

SOHR Award Banquet planning has begun and will continue over the next couple months. Pam Schultz will be asking for member participation with our largest fundraising event of the year. Please volunteer your time and ideas to make this the most successful and enjoyable event our club has ever had!

Brian
