Our Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.

S.W.O.T. IS COMING! DON'T MISS IT!

Strengths, Weaknesses, Opportunities, and Threats.

The Board has approved using the program time on June 11th, 18th, and 25th to go through the S.W.O.T. process for our club. Greg Kuntz will be facilitating and we hope to emerge from this process as a stronger and more cohesive club. Please make every effort to attend each session so we have input from ALL members in determining goals for the 2014-15 fiscal year.

President's Corner:

Summer is here! The community activity changes with the end of the school year, the graduations and the turning of the calendar for Rotary as well. We will celebrate Sebastian as he graduates from Simley and gets ready to return home to Denmark. We thank him for his presence and participation with our Club and community activities over the past year. We wish him well as he travels back home. We look forward to greeting our next exchange student who will arrive later this summer.

As our Club gets ready for our next year we have a lot to think about in terms of activities and planning. We will begin our SWOT analysis at our regular Club meeting time June 11th. Not sure what a SWOT analysis entails? This is your opportunity to give input, provide feedback, insight, and discussion into the direction of our Club and its' activities. Your opinions count and we need you to be part of the process. Plan to attend these meetings.

As this Rotary year winds down we will be electing new officers and look to all of our members to be involved where their talent takes them. The more informed you become, the more you understand and appreciate what Rotary has to offer our community and to you on a personal level. Thanks for your support and involvement over the last year. Pam
