Our Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.

President's Corner:

It's the Tuesday after Labor Day and the kids headed back to school this morning. We are involved in a variety of efforts to support them as they pursue their education. We recently contributed to the InverHills Church "Back to School Bash" event that filled over 1000 backpacks with school supplies for needy children in our area.

On 9/3, we will appear at Inver Hills Community College at the Service Club Fair to introduce the students to Rotary and hopefully grow our partnership with that school and its students. The same day, we will also receive a visit from Margie Horning, District 5960 Grants Subcommittee Chairperson, for presentation of the grant check for use in purchasing computers for needy high school students at District 917, Dakota County Area Learning School North.

We are planning to sponsor two students to attend Camp Enterprise later this year. Supporting education is one of our core missions and a strong part of our club's identity. Take a moment to mention to your friends and neighbors all the good work that Rotary is doing to support students in our community! Dave

Neighbor's Inc. Duck Race

Mark your calendar! The Neighbor's Inc. Annual Duck Race will be held again this year during the "On The Road Again" celebration. Plan to attend this event on October 4th from 11:00 A.M. to 3:00 P.M. to watch the ducks! Our club is a sponsor for this project. Also, if you wish to purchase an individual duck, more information will be available soon.
