President's Corner

As we turn the corner on a wonderful summer and enter into the fall season, I am reminded of the early part of my career. I always used the fourth quarter of the year to plan for and set the upcoming year's goals. In the same fashion our Club will continue to plan for growth. When I have the opportunity to talk to potential members, I like to discuss the "Object of Rotary", when asked about what Rotary stands for.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and in particular, to encourage and foster:

- The development of relationships as an opportunity of service
- Promote high ethical standards in business and professions and use your profession as an opportunity to serve society
- Apply the ideals of service to all portions of your life
- To advance international understanding, goodwill and peace through the fellowship of business people united in the ideal of service.

I am excited to spread the message of Rotary in our communities. I am optimistic that we will start experiencing growth in our Club this upcoming quarter and into the future. Please join with me in spreading the message of fellowship and service. Our Club has great members that work hard for the communities we serve.

Talk to people that you know that would love to share in the goals of our Club and unite in the ideal of service.

Congratulations John Kemp!

For winning the Queen of Hearts! Miquela was ready to give up the job and John's half of the "pot" came to \$114.00. The other half is used for the club's general fund expenses.

Education Grant Awarded!

On September 21st our club received a matching grant from the District 5960 Grant Committee. As a reminder, 30% of all donations to The Rotary Foundation are returned to be used within our district for grants like this. In turn, our club check was presented to South St. Paul Public Schools for the sound amplification equipment to benefit hard of hearing students learning opportunities. Thanks Dan Warner, Joe Gullerud and the entire grant committee for spearheading this project to benefit kids!

Seidl's Lake Cleanup & Social

Our club sponsors the Seidl's Lake Park and our Fall clean-up is scheduled for Wednesday, October 12th beginning at 5:00 P.M. Arrive at the north end of the park (1415 4th St. S., SSP) and enjoy the walking paths as we pick up trash. Seidl's Lake Park is an open space shared jointly by the cities of SSP and IGH. With many hands we will be finished in 30-45 minutes. Trash bags will be provided. Following cleanup, we will gather at Old World Pizza for food, fun and frolic! (Not sure – do we know how to do that???)

Volunteers are needed!

To participate in the Rotary Club booth (or rather coffin) at the GREAT HALLOWEEN GET TOGETHER. The event is held on Marie Ave. at Central Square on October 31st beginning at 5:00 P.M. If you would enjoy handing out candy to the ghosts and goblins that evening, please let Greg Kuntz know.
