### **President's Corner**

If the Rotary logo was a clock that stopped at a certain point in time, I think it would stop and gain strength in November. November for me, as well as for most of you, signifies "A Time of Thanks".

- I am extremely Thankful for an engaged club membership that shows signs of growing.
- I am Thankful for the commitments that we as a Club have made to recognize Humanitarian efforts in our communities.
- I am Thankful for the enormous efforts that our Club has made to give back through the support we provide to education and youth projects.
- I am Thankful that our Club embraces and supports Youth Exchange and the benefits of mutual understanding that the program promotes.

With all the things that we do locally, I would be remiss not to mention that the Global Reach of Rotary should continue to also be a Club focus. As you all know, November is Rotary Foundation Month. We will be hearing from District Leadership on the impacts the Foundation makes worldwide as well as locally. Please continue to support the Rotary Foundation. I will be passing out a form at the November meetings that hopefully makes it easy for all members to renew or start their commitment to financially supporting the Rotary Foundation. In closing, I would like to thank all of you for what you do for others. Make service a Number 1 priority.
