**Our Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.**

***President's Corner***

Job well done to Greg Kuntz and the entire banquet team in putting together a great event for our club! I know I gained nothing but respect for Greg throughout this process. He is a proven leader who is one of the most organized people I know. Our club is lucky to have him be taking on the task for the next two years, and to have him take over the reigns as president in a little less than two months.

The banquet was also very much a team effort, with members actively soliciting sponsorships and silent auction donations, working with the SOHR award winners, as well as participating in many planning meetings, and the set up and take down of the event itself. Thank you to all for your hard work.

In addition to the many contributions of our banquet committee members, another standout is Jill Lewis. Jill takes on many tasks behind the scenes that our club members never realize but without which we could not function effectively. She is also the "go to" person whenever there is a question about what we need to do. One thing I have noticed in my time as president is that if there is ever a question in an email being circulated about what to do about something, the name Jill Lewis is always either the primary recipient, or is cc'd. Thank you Jill for all that you do for us to make not only the banquet, but our club a success.

Once again we have achieved the funds to operate for another year (sigh of relief). Very soon we will be embarking on another education project with the submission of another grant proposal to our Rotary District. There are also many other exciting things happening in the months ahead. Stay tuned!

Dan
