Our Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.

President's Corner

The unofficial beginning of summer brings new opportunities for service to our community. Among them is the chance to participate in the summer meals program of Neighbors at Kaposia Elementary and South St. Paul High School. The club needs 2-4 volunteers per shift (two shifts a day) for each day meals are being served (of which you only need to volunteer for one shift – more if you are able). For more information, please contact John Kemp. Let's make this program a success and help feed some hungry students. It costs us nothing but a little of our time.

June is also the month we submit our grant application to the Rotary District for approval. This year our education/grant committee approved seeking funds for sound amplification systems for three early childhood education classrooms. Sound amplification systems improve the ability of preschool children with disabilities to hear and understand the teachers more effectively in the classroom. Stay tuned!

June is also the month of graduation parties, and we are both sad and happy for our exchange student Amanda's graduation party. It's on Sunday, June 5th, starting at 4:00 p.m. at the home of one of her host parents Jim & Shelly Rauschnot, 8602 Birch Court, Inver Grove Heights. We are sad to see Amanda leave us, but happy to have had her join us in the club. Amanda has been a wonderful example of what an exchange student should be. I hope you can join the celebration of her graduation.

When I started this trek as president eleven months ago, I said that we have the finest service organization in the area. I am more convinced of that now than ever. I hope you are too. Time and again I have watched as people stepped up to responsibility in helping to run our club and move us forward on our mission of community service. Thank you to all for the support you have given to the club and to me over the past year and for making this a fun year.

Dan
