Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.

President's Corner:

Happy October! Thanks to everyone who made it to our picnic. It was a great showing and nice to see everyone out on a beautiful fall night. Lucky for all of us that Greg Kuntz was there and shared his list of Polish proverbs with me. I decided that this President's Corner would be a reflection on a Polish Proverb shared by a good ol' boy from South St. Paul.

"When the world is loud, remember God's grace often appears as a whisper." I think this is very fitting in relation to what is currently happening and has happened in the last couple months. Right now our world is loud, due to natural disasters, our political climate, racial tension, and quite honestly the list can go on. At times it is hard to make sense of any of it. Whether you are religious or not, I think it is so important to listen to that whisper or better yet be the calming voice. As Rotarians we have the opportunity to be the whisper. The services we provide in our communities and participation in Rotary globally allows for those whispers to truly have a voice. I encourage everyone to take a moment and listen for the whispers, and act where you see fit.

The club has a number of participation opportunities coming up with the Seidl's Lake clean-up, the Halloween night activity in South St. Paul, and with November being The Foundation month. I hope everyone can participate and give where they can.
