**Mission: In addition to the many worthwhile missions of Rotary International, the focus of our Club is to improve the educational opportunities for students in South Saint Paul and Inver Grove Heights.**

### **President's Corner:**

November is The Rotary Foundation month. I wanted to make this month a time to reflect on who we are as a club, and what it means to be a Rotarian. We make a commitment each Wednesday to come to a meeting to learn and collaborate both as a club and as a community to put "Service above Self". How are we contributing to our community and how are we serving others?

As your President and an active member of the club, I feel these two questions are the most motivating factors of being part of this club. I want to thank you all for serving the community not only as professionals but as Rotarians. The work we do in the schools, exchange program, Seidl's Lake Park pick-up, scholarships, our Humanitarian Banquet, Connie and Cory's closets, and more, are all invaluable contributions. Without your time, your service and your monetary contributions, we could not make this happen. I hope as a club we continue our initiatives and continue to grow in membership and how we serve others.

Rotary is so much bigger than just So. St. Paul and Inver Grove Heights. There is an international presence across the world where groups of individuals just like us, are trying to make a difference. Giving to The Rotary Foundation is one of the easiest and most impactful ways in making a difference. As a club we have leveraged these funds from The Rotary Foundation to make our grant projects so successful. I sincerely hope that each of you considers donating to The Foundation in order for multitude of projects and initiatives started by Rotarians can continue.

We have a lot of fun activities coming up and it will be great to have as many of our club members participate--what better way to build goodwill and better friendships!

Miquela Hernandez, President
